

Dear Students, Parents and /or Guardians of Lyncourt,

Hello, I am Terry Ralston and I am the new Cook/Manager for Lyncourt Union Free School District. I am very excited to meet all of you! I have over 20 years of experience in the Food Service Industry, and have worked with every age group from new born to over 100. I am anticipating a very fun but busy year ahead!

We are in unprecedented and unique times, and if we all help one another, it will be an easy transition.

In accordance of the district's re-opening plan the Food Service Department will be providing delivery for breakfast and lunch meals for students who are remote learning.

The arrangements are as follows:

Only students registered to attend school in the district are eligible.

Since this year we are offering meals at no charge, every student qualifies.

For students that are attending classes on the every other day rotation your meals will be handed out on the days that you attend school for the next day.

Meals for remote learners will be ready for pickup at the main office on Tuesdays and Thursdays between 9 – 10 am.

Sign-up is required, by email only. Please contact myself at tralston@lyncourtschool.org. And please indicate your first and last name, your child's first and last name, address, and phone number.

Also, please indicate if your child has any food allergies that we need to take note of.

Once again I am very excited for this school year and please know that we are here to help. Feel free to contact us at 315-455-7571 if you have any questions.

Best regards,

Terry
