Our Mission

"The Lyncourt Union Free School District, in partnership with the community, is committed to educating all learners to reach their full potential."

Dear Lyncourt Residents,

On behalf of the Board of Education, faculty, staff, and administration of the Lyncourt Union Free School District, it is my wish that everyone had a restful and prosperous summer. It has been a busy and productive summer at Lyncourt School.

The Lyncourt Union Free School District has a proud history of providing the best programs and facilities for our children. This success is the result of thoughtful and measured facility improvement programs over the years that have made certain we protect our investments. Sometimes this means replacing items that succumb to normal wear and tear, such as roofs and parking lots. Our Capital Improvement Project, approved by voters on March 26, 2015, was completed over the summer. On page 12, I have outlined The Project At A Glance. I would like to commend our Buildings and Grounds staff for the hard work and pride they take in maintaining our building. They worked especially hard this year with the Facilities Improvement Project.

This year, we are introducing another positive program for our children. For many years we have been privileged to participate in the School Breakfast Program. This year we are pleased to announce that all Lyncourt students, regardless of income, will be provided breakfast without charge. Students who eat breakfast are less distracted and ready to learn. We start serving at 8:05 a.m. and will even offer brown bag "to go breakfasts", so no child is left hungry. Please encourage your child to participate in this program.

As we strive to provide effective and open forms of communication I would like to highlight the many ways we keep you informed on both a daily basis or in the case of a snow day or emergency. Emergencies, school closings, delays, and other important messages will still be announced via radio, television, and our School Messenger system. Through the School Messaging system we are able to mass communicate via phone, email and text messaging. If you wish to have your cell phone and/or email updated on this contact list, please contact the school at your convenience. We also communicate our daily happenings here at Lyncourt via Twitter, Facebook, and our District Webpage, as well as paper reminders in your child's backpack.

As we begin the 2017-2018 school year, we would like to announce a new and exciting opportunity for all our current 8th grade students. Beginning in the fall of 2018, our 8th graders will now have the option to attend either Solvay High School or East Syracuse Minoa High School. More information will be available at our Curriculum Night on September 28th.

To those new to our school community, we are looking forward to working with your children. Welcome, Lyncourt is a very special place. As always, if you have any questions or concerns don't hesitate to call my office at 455-7571 or email me at Jaustin@lyncourtschool.org

Respectfully,

Jay Austin
Superintendent

Dear Families:

On behalf of all the staff at Lyncourt School, I am happy to welcome you to the 2017-2018 school year! We hope your summer was a relaxing one spent with family and friends. We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. With that being said, I am going to begin with the same quote I shared with our teachers and staff, "Although no one can go back and make a brand new start, anyone can start from now and make a brand new ending." Therefore, I implore all of you, with your children, to make goals for the school year in order for them to strive to do their very best and be successful this school year.

We recognize that in order to be successful in school and meet our goals, our children need support from both the home and school. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities and reach our goals and the goals that you set for your children! I am honored to work with our highly qualified and dedicated staff, our amazing students, and all of our supportive parents and families.

We have diligently been preparing for the arrival of our students to begin their new school year. Our Elementary Teachers have attended professional development throughout the summer on our new Reading Program and are excited to demonstrate what they learned with your children. Other staff have been to a variety of trainings and professional development in order to build their teaching repertoire. All of us look forward to an amazing year full of learning and growth.

I want to thank you in advance, for your teamwork in continuing to foster a climate of support, encouragement, and personal excellence.

In closing, please enjoy the remaining days of summer. I look forward to seeing many new and familiar faces on our first day of school. **Our partnership and journey begins September 6th, 2017.**

Respectfully,

Kimberly Davis
Principal

PARENT NOTIFICATION

During the school year, your son or daughter may have the opportunity to have his/her photo taken, video image and voice recorded, and/or art and written work published in connection with a school district activity or program. Your child's photo (image) and school work may be published in local newspapers, posted (displayed) on the District's Internet Site, or used by the requesting organization (local TV or print media) for programming, i.e., backup and their news stories.

If you **DO NOT** want your child's picture or schoolwork to be used in newspaper articles, video, and/or District publications, including our District's website, please inform the school principal, Mrs. Davis, in writing.

IMPORTANT REMINDERS...

ITEMS FOR SCHOOL SAFETY

We, at Lyncourt School, want to ensure the safety and well being of our students by supervising them at all times during the regular school day. Due to the fact that supervision of the school entrances does not begin until 8:00 a.m., students **should not** arrive on school grounds before 8:00 a.m. unless a school activity is scheduled. Walkers may enter the building for breakfast at 8:05 a.m. and the bus students can enter after their arrival.

DRESS WARMLY!

As the colder weather approaches, please be sure children wear appropriate outerwear (coat, gloves, scarf, earmuffs, and boots). Students **are not permitted in the building prior to 8:00 a.m.** Breakfast begins at 8:05 a.m.

For the safety of our school, and in accordance with **New York State law**, all visitors and volunteers are required to sign in on the visitors sheet in the main office. At that time, you will be given a badge to wear during your visit. Upon leaving the school you must sign out and leave the badge in the office. **Only the main front door should be used for entering and exiting while school is in session.** All other doors are locked immediately after students arrive each morning. Thank you for your cooperation!

Dropping Off and Picking Up Students...

As a reminder to all parents/guardians who drop students off and/or pick students up before, during or after the school day: **Please do not** block in cars in the east and west parking lots. These lots should remain clear of vehicles; all vehicles must be parked in a marked parking space. The "No Parking" space should be clear of all vehicles at all times. In order to keep the parking lots clear, free from congestion, and should anyone need to leave the premises, they need to be able to get out. **Please use the rear of the building when dropping off and picking up students.** This is one way to ensure everyone's safety. Thank you.

Dismissal for bus students will be in the Syracuse China Drive staff parking lot. This area will be closed from 2:20-2:55pm. Please plan accordingly. Thank you for your cooperation.

Also, teachers will not release students to anyone other than who is on the emergency sheet. Please plan accordingly; if your child needs to go home with someone else, you must send in a written note. Also, if you are giving your child permission to walk home everyday by themselves a note will be needed as well. *Dismissal for walkers that are picked up by parent/family member: UPK-1 ➡ Front Door, 2nd & 3rd grade ➡ Back Door /Gym Lobby Doors, 4th & 5th grade ➡ out the Main Doors. (*Unless arrangements made otherwise.)

Thank you for your cooperation.

IMPORTANT INFORMATION FROM THE HEALTH OFFICE

Our Health Services Staff provides a wide range of health support to our district's children, including:

- Distance visual acuity for all new entrants and for children in grades Kindergarten, 1, 2, 3, 5, and 7, or at any other time deemed essential.
- Near visual acuity for all new entrants within six months of entrance.
- Color perception for all new entrants within six months of entrance.
- Hearing acuity for all new entrants and for those in grades Kindergarten, 1, 3, 5, 7, and at any other time deemed essential.
- Scoliosis (curvature of the spine) for students in grades 5-8 annually, if not already done by their own doctors.
- First aid and illness care during the school day.

Administration of Medications: Whenever possible, medication should be given at home. If a medication must be given at school, New York State law mandates the process to follow before any medication, including over the counter medications (e.g. Tylenol/ibuprofen, Tums, and Cold medicine) are administered. An "Authorization for Dispensing Medication" form must be completed. You can download the permission form from our website www.lyncourtschool.org or your doctor's office may have the form at their office. Please print, complete, and return these forms to the Health Office.

Physicals: The health and wellness of our students is a priority at Lyncourt. Physical examinations are required and Dental certificates are recommended for students in grades Pre-K, K, 2, 4, 7, 10 and all new entrants to the District. It is recommended that children receive the physical from their own physician, but school physicians, assisted by school nurses, can perform these examinations. **Annual physicals are also required for all students participating in any athletic program.**

Forms are available for parent/guardian use on our website.

WHEN SHOULD I KEEP MY CHILD HOME FROM SCHOOL? In order to prevent the spread of communicable disease including influenza in school, to protect the health of all children and staff at school and optimize your own child's health, it is advisable that you keep your child home for the following reasons:

- ⇒ A temperature of 100 degrees or more. Your child should be fever free for 24 hours and not require medication to remain fever free before returning to school.
- ⇒ A diagnosis of strep throat. Your child should remain home until he/she has been on antibiotics for a full 24 hours before returning to school.
- ⇒ If your child has vomited the previous night or that morning.
- ⇒ If your child has several episodes of diarrhea.
- ⇒ If your child has had a moist, productive cough, chest congestion or thick nasal discharge.
- ⇒ If your child's eye(s) are swollen, red or draining.
- ⇒ If your child has a rash you cannot identify.

Reminders:

- A phone call, e-mail, or written excuse is required for any absence from school. Please email mlowery@lyncourtschool.org.
- If your child is to be excluded from physical education and recess for a medical condition or injury, a note from the doctor is needed. Once cleared by the doctor, another note is needed.
- PLEASE: If your child has come home with any clothes from the nurse, we need these items cleaned and returned. We are always in need of sweatpants in all sizes, socks, belts, underwear, and used sneakers that would fit K-4th grade children.

New York State requires all districts to participate in surveys directed by the State Commissioner of Health. Student's identity will not be disclosed by the health department. For further information visit:

In the 2017-2018 school year, the Lyncourt Union Free School District will continue to use the School Messenger notification system. In addition to automated messages regarding attendance and MySchoolBucks school meal account balances, the district uses School Messenger to send alerts to all district families-via telephone, email and text-to notify parents and staff of upcoming school events, emergency situations, closings and delays and more. Since School Messenger is set up to send automated messages to the telephone numbers the school district already has on file for each family, it's essential to notify the district of any recent changes to your mailing address or phone numbers.

BUS SAFETY...

- ◆ For both bus riders and walking students we urge you to talk with your children about traffic and bus safety.
- ◆ Be at the bus stop prior to the pickup time so you are not rushed and your student is ready.
- ◆ Wait at the bus stop in a safe place, away from driveways and the street.
- ◆ Make sure you make eye contact with the bus driver and wait for them to signal you if you need to pass in front of the bus.
- ◆ Do not approach the bus until it comes to a complete stop and the driver opens the door.
- ◆ Quickly get to a seat and remain seated properly while riding the bus.
- ◆ It is important to listen to your bus driver; your safety is important to them.
- ◆ Keep your belongings in your school bag and respect others' belongings on the bus.
- ◆ Be on your best behavior, talk quietly and keep your hands to yourself, do not distract the driver or others.
- ◆ When you get off the bus look both ways before you step down and make sure there are no cars approaching.
- ◆ Do not bend down or stop near the bus, as the driver cannot see you and needs you to be a safe distance away from the bus.
- ◆ Make sure you make eye contact with the bus driver and wait for them to signal you if you need to pass in front of the bus.
- ◆ Walkers should cross at the cross walk and look both ways before crossing the street.
- ◆ Our crossing guard's name is Mrs. Wendy Clark; use the crosswalk that she attends in front of the school to cross Court Street.
- ◆ The area around the school is very busy and crowded in the morning and afternoon. Be aware and always stop, look, and be safe.
- ◆ Do not run between parked cars or to catch up with friends.
- ◆ You can visit this web site together for a review of safety tips:
