SUBJECT: IDENTIFICATION AND REGISTER OF CHILDREN WITH DISABILITIES

The policy of the Board of Education is to conduct a census in order to have all children with disabilities, within its jurisdiction under the age of twenty-one (21) identified, located and evaluated, including children of preschool age and children in all public and private agencies and institutions.

Persons involved in the collection of data must receive prior training and written information regarding data collection procedures.

Register of Children with Disabilities

It is the policy of the Board of Education of the Lyncourt Union Free School District to maintain a register containing the data requirements as indicated in the Commissioner's Regulations.
