

## **Lyncourt Union Free School District**

Dear parents/guardians:

The Lyncourt Food Service Department is excited to announce that we will be partners with the USDA to provide free meals to all students regardless of income status for the 2021-2022 school year. There will be no charge for breakfast or lunch meals, any snacks, extra meals or ala carte items must be purchased with cash or funds on the students account. There will not be any charging allowed.

**Because the district relies on data from the Free/Reduced applications for grants we ask that you take the time to fill one out and send it to our department. This will not affect your child's free meals.**

**If you have any questions or concerns please feel free to contact Terry Ralston in our Food Service Department**

*The Lyncourt School district is an equal opportunity provider and employer.*
