High School Choice Information

After graduating from the Lyncourt Union Free School District this year, students have the option of attending high school at the following districts:

Common Questions and Answers

Q: Do families pay tuition to attend high schools?

A: No. Lyncourt UFSD pays tuition to either Solvay UFSD or East Syracuse Minoa Central School District. Parents who choose to send their child to a private school will continue to pay that school's tuition.

Q: Will students be able to participate in extra-curricular activities?

A: Yes, students can participate in any extra-curricular activity they choose, at their selected high school.

Q: Who do I contact if I have questions about which high school will be the best fit for my child?

A. School Counselor Mrs. Amy MacCaull
amaccaull@lyncourtschool.org
(315)455-7571

Q: Will students going to high school be provided with transportation?

A: Yes, students will be bussed to either Solvay High School or ESM High School. The prospective district will contact you with transportation information.

Q: Can my child change schools if we discover the school does not fit my child?

A: The Superintendent will consider transfer requests prior to April 1st for the following academic year. Only under extreme circumstances will a transfer be permitted as it will impact the transcript of the transfer student and the tuition commitment made by the Lyncourt UFSD to the high school of choice. A student who would like the Lyncourt Superintendent to consider a transfer must submit a letter to the Superintendent articulating the rationale behind said request and his/her most recent report card prior to April 1st. After received, the Superintendent will schedule a meeting with the student and his/her parent.
