

To the parents and guardians of Lyncourt Union Free School District: **COVID-19 MEAL PLAN**

The Lyncourt School District's plan at this time is to provide a food service site for any child 18 years old or younger who are in need of breakfast and lunch meals. There will be a pickup site setup at the side driveway garage door. Pickup will be available between the hours of 10:00am and noon each week day (except holidays). Delivery of these meals will be available only to Lyncourt students that have approved 2019-20 applications for free and reduced price school meals/milk on file or are McKinney Vento homeless students. Deliveries must be requested in advance, will be delivered to student bus stops and someone must be available to pickup the meals at the bus door.

Please email Lisa McKenney at lmckenney@lyncourtschool.org or call 315-455-7571 ext. 4

In your request please provide the student name, address, phone number, bus stop, and any food allergies.

Again:

**Delivery service will be by request only and only to qualified free and reduced students!
Please contact the Food Service Department by email no later than 9:00 am the day of
delivery request if you plan to use this service.**

The pickup site is at the side driveway garage door between the hours of 10am and noon.
