Wednesday, March 2nd is Read Across America Day! To help us celebrate, we are going to kick off our yearly PARP celebration!!

This is how it will work:

- ~ We are asking students to read at least 15 minutes a night with a parent, grandparent, babysitter, or sibling.
- ~ After your child reads each night, please fill out the Google Form link on ParentSquare. Submit one form for every 15 minutes read.
- ~ The class with the most participation (PreK-2 and 3-5) will win an ice cream party!
- ~ We will also be celebrating in school with our Dr. Seuss themed Spirit Week. Check the other side for the calendar for the week!

Thank you for your support at home to encourage reading during our celebration and every day!
