

School Supply List 2021-2022 Grade 5

In order to save families time and money, instead of providing you with a supply list, we are asking families to contribute \$10.00 to cover the cost of our most used supplies. These supplies will be purchased by your child's teacher and include anything from school supplies, snacks for parties, art supplies for holiday projects, etc.

However, there is one item that will be used by your child personally and not shared, therefore, we are asking that you send in a pair of headphones/earbuds in a case or a ziplock bag.

The following items are optional, but appreciated:

- tissues

Please send in the \$10.00 and any additional supplies with your child on the first day of school.

Thank you and we look forward to seeing you in September!

Mrs. Criss & Mrs. Jones
