

SUBJECT: ENERGY/WATER CONSERVATION AND RECYCLING OF SOLID WASTE

The Board of Education recognizes the importance of energy and water conservation and is committed to the analysis, development, and initiation of conservation measures throughout the District for the purpose of reducing energy consumption.

Recycling

The Superintendent will develop a program for the source separation and segregation of recyclable or reusable materials in the District. This District-wide recycling plan shall include:

- a) A conservation education program to teach students about their social responsibility for preserving our resources, and involvement of all students and personnel in a comprehensive effort to reduce, reuse and recycle waste materials;
- b) A concerted effort to purchase recycled items and biodegradable rather than non-biodegradable products;
- c) Separation of waste into appropriate categories for the purpose of recycling;
- d) A cooperative effort with community recycling programs.
