

**SUBJECT: TRANSPORTATION OF STUDENTS****Requests for Transportation to and from Non-Public Schools**

The parent or guardian of a parochial or private school child residing in the School District who desires that the child be transported to a parochial or private school outside of the School District during the next school year should submit a written request to the Board of Education no later than April 1 of the preceding year, or within thirty (30) days of moving into the District. No late request of a parent or guardian shall be denied where a reasonable explanation is provided for the delay.

**Transportation of Students with Disabilities**

Students with disabilities in the District shall be transported up to fifty (50) miles (one way) from their home to the appropriate special service or program, unless the Commissioner certifies that no appropriate nonresidential special service or program is available within fifty (50) miles. The Commissioner may then establish transportation arrangements.

**Transportation of Non-Resident Students**

Non-resident families must provide their own transportation.

**Transportation to School Sponsored Events**

Where the District has provided transportation to students enrolled in the District to a school sponsored field trip, extracurricular activity or any other similar event, it shall provide transportation back to either the point of departure or to the appropriate school in the District unless the parent or legal guardian of a student participating in such event has provided the District with written notice, consistent with District policy, authorizing an alternative form of return transportation for such student or unless intervening circumstances make such transportation impractical. In cases where intervening circumstances make transportation of a student back to the point of departure or to the appropriate school in the District impractical, a representative of the School District shall remain with the student until such student's parent or legal guardian has been contacted and informed of the intervening circumstances which make such transportation impractical; and the student has been delivered to his/her parent or legal guardian.

**Secondary Students**

Students attending out of District schools in grades 7-12 will be issued bus tokens through the school office.
